Re: Koosharem Clay Leases – Federal Lease UTU-078187 and UTU 078188

Dear Mr. Perkes,

This letter is to inform the Bureau of Land Management that Holcim (US) has entered into an Exploration with Option to Sublease Agreement with Mr. Don Fullmer regarding the Koosharem Clay Federal Leases UTU078187 and UTU078188.

Under the option, Holcim will assume responsibility for the operation, permitting, planning, mining, and reclamation as long as the sub-lease is in effect.

Holcim will start Due Diligence during the option period during which time we will address any needs or requirements from the Bureau of Land Management so that Holcim can exercise the option to sublease.

Should you need any additional information, please do not hesitate to contact me at (719) 784-1402 (O) or (719) 429-5566 (C).

Sincerely,

A handwritten signature in cursive script that reads 'Michael B. Toelle'.
